

Dear [MANAGER],

I'd like to request your support to participate in the upcoming **CPAImpact Leadership Academy 2026–2027**, hosted by the Iowa Society of CPAs. This program is designed specifically to develop emerging leaders in the accounting profession through intensive leadership training, peer collaboration, and strategic professional development.

I believe this opportunity would provide immediate and long-term value to both our organization and my own professional growth.

CPAImpact is a year-long leadership academy focused on strengthening the skills needed to lead teams, manage change, communicate effectively, and contribute strategically within the profession. The program brings together motivated professionals from across the state to build leadership capabilities through interactive sessions, coaching, and real-world application.

Throughout the academy, I will gain practical skills in:

- Leadership and team development
- Communication and relationship-building
- Strategic thinking and problem-solving
- Change management and innovation
- Personal leadership style and emotional intelligence
- Professional networking and collaboration across the CPA profession

These are all areas that directly support our organization's goals and will help me contribute at a higher level internally and externally.

One of the greatest benefits of CPAImpact is the opportunity to build a strong network of future leaders and professionals throughout Iowa's accounting community. Those connections can provide valuable insights, collaboration opportunities, and best practices that I can bring back to our team.

The academy also emphasizes applying leadership lessons directly to workplace challenges and opportunities, meaning our organization benefits immediately from the knowledge and skills I develop throughout the program.

In addition, participating in CPAImpact demonstrates our organization's commitment to professional growth, leadership development, and investment in future talent within the profession.

The cost of participation is small compared to the long-term value gained through leadership development, expanded professional connections, and the ability to bring new ideas and perspectives back to our organization.

With your support, I would like to apply for the CPAImpact Leadership Academy 2026–2027. Additional information, including program details and agenda, can be found here:

<https://www.iacpa.org/impact>

Thank you for considering this opportunity and for supporting my continued professional development.

Sincerely,
