

High School Accounting Showcase

Fifth Annual 2026-2027

What is it?

A one-day, in-person event where high school students step into the shoes of CPAs. Working in teams, students will analyze a real-world business scenario, develop solutions, and present their ideas to a panel of professionals.

It's a unique opportunity to:

- Apply critical thinking and teamwork skills
- Learn about the accounting profession
- Engage with CPA mentors and judges

Why You Should Participate

- Helps students develop leadership, analysis, and public speaking skills
- Reinforces classroom learning with real-world experience (advanced accounting knowledge not necessary)
- Offers career exploration with support from the Iowa Society of CPAs

Plus, it's **FREE** to attend and ideal for business, finance, accounting and economics students.

What to Expect at the Conference

- Welcome & orientation session
- Work through case study as a team
- Professionalism seminar
- Networking lunch with accounting professionals
- Team presentations to judges
- Awards & feedback session
