

IOWA SOCIETY OF CPAs

HIGH SCHOOL ACCOUNTING SHOWCASE

FOURTH ANNUAL - 2026

What is it?

A one-day, in-person event where high school students step into the shoes of CPAs. Working in teams, students will analyze a real-world business scenario, develop solutions, and present their ideas to a panel of professionals.

It's a unique opportunity to:

- Apply critical thinking and teamwork
- Learn about the accounting profession
- Engage with CPA mentors and judges

Why You Should Participate

- Helps students develop leadership, analysis, and public speaking skills
- Reinforces classroom learning with real-world experience (*advanced accounting knowledge not necessary*)
- Offers career exploration with support from the ISCPA

Plus, it's FREE to attend and ideal for business, finance, accounting and economics students.

What to Expect at the Conference

- Welcome & orientation session
- Teamwork session on case study
- Professionalism seminar
- Networking lunch with accounting professionals
- Team presentations to judges
- Awards & feedback session
