

## Interested in joining the ISCPA staff?

We are currently hiring for two positions on the ISCPA team. If you are a detail-oriented, relationship-driven professional, ISCPA may be your ideal career destination.

Click on the linked job titles below to find details for the individual job postings:

### **Conference and Member Events Manager**

The Conference and Member Events Manager plays a key role in advancing ISCPA's mission by shaping high-quality conference and member event experiences. This position collaborates with the ISCPA team for the planning and execution of ISCPA's professional development conferences and other member events, ensuring strong alignment with organizational goals and evolving member needs.

### **Student & Future CPAs Coordinator**

The Student & Future CPAs Coordinator plays a key role in strengthening Iowa's accounting talent pipeline. This position supports students, educators, and early-career professionals by coordinating programs, events, and outreach that promote the CPA profession and connect future talent with ISCPA members and employers.
