PARTICIPANTS SAY

“This is a great opportunity to do good for the area and inspires us to continue volunteering throughout the year.”

“We all have at least one talent or gift that we can share with our community to impact others.”

“You don’t have to do heavy lifting to make a big impact. Listening to others and spending time with them can have a positive effect in someone’s life.”

“We learned the value of giving back and became a stronger team because of it.”

“We as a society all benefit from the volunteering efforts of others.”

“It feels good to make a difference.”

“We were happy to give back to programs that provide so much to our communities and those in it.”
