

Iowa CPA Education Foundation 2020 Gridiron Challenge

Oct. 1-Nov. 20

Becoming a CPA takes grit

Many rely on a great team for help to reach the end zone.

Be that team for the next generation of CPAs! The **Iowa CPA Education Foundation** provides scholarships for talented Iowa college accounting students committed to taking the CPA exam in our state. Now you can show your school spirit and support the **Iowa CPA Education Foundation** with our **2020 Gridiron Challenge**. While the pandemic has some colleges canceling their football season, we can all score some touchdowns and support the foundation at the same time.

1. For every \$10 you donate to the foundation, the school of your choice is awarded one touchdown.
2. Example: \$50 donation = 5 touchdowns for your team.
3. You must enter your school team's name in the **comment box** with your contribution on the web form found at **www.iacpa.org/foundation**.
4. The team with the most touchdowns on Nov. 20 wins the **2020 Gridiron Challenge**.
5. ISCPA CEO Cindy Adams will sport the winning school's colors for a photo on social media and in Iowa CPA.

Support the future of the profession by making your donation today! To contribute to the foundation or find information about tax benefits and deductions available, visit **www.iacpa.org/foundation**.
