

Explore careers in accounting

Connect with ISCPA now to learn from a great community of CPAs and accounting professionals!

RESOURCES

Iowa Society of CPAs is here to help!

The Iowa Society of CPAs (ISCPA) is the largest professional organization dedicated to CPAs, accounting professionals and accounting students in Iowa.

We're excited to offer you tools to help your students discover and explore the many opportunities available in the accounting profession. Please let us know how we can help!

Virtual Career Showcase

Thursday, Oct. 29 | 8 a.m.-4 p.m.

Participate for 15 minutes or stay all day

Where can a career in accounting take you? Hear from Iowa CPAs and accounting professionals at the ISCPA Virtual Career Showcase!

Your students can chat virtually with CPAs who work in public accounting, government, education, banking, insurance, manufacturing, nonprofits and more. Students can find out what an accounting career is really like, and the opportunities it can bring! Hint: it's not just number crunching.

The showcase is:

- open to all high school and college students currently taking an accounting or business class
- easily accessible from anywhere - on any device!

Questions? Contact **Lindsey Haley**, membership and student initiatives coordinator
lhaley@iacpa.org, 515-985-7125

A CPA wants to visit your classroom - virtually!

Iowa Society of CPAs members are excited to 'visit' your classroom via virtual conferencing! To schedule a live (or pre-recorded, if you prefer) presentation with an Iowa CPA, please contact Lindsey Haley.

PASSION FOR THE PROFESSION

- Last year, 452 high school students learned about CPA careers from ISCPA members
- 238 students participated in Virtual Career Showcase
- 600 student memberships
- 2000+ high school students of teachers trained in higher order accounting curriculum (APBP)

Accounting on the horizon

Careers in Accounting Online Module

ISCPA, in partnership with Drake University and AEA Online, is excited to announce this new resource for your students!

AICPA Resources

StartHereGoPlaces.com A great resource for interactive activities such as:

Case Study: **Welcome To The Coffeehouse** - A team accounting challenge

Bank on It: Thought up by students, for students, this interactive game will challenge students on accounting fundamentals, give them a taste of real, working-world scenarios and reinforce what students are learning in the classroom. It will test your wit, wisdom and ambition!

And more!
