

Refer a Member Program

After a year like no other, you now have an opportunity to spread some positivity by introducing your colleagues and friends to ISCPA. Our **Refer a Member Program** is a win, win for all involved.

ISCPA has been serving and advocating for the profession for more than 100 years. Membership in the Society means opportunity:

For your friends—It's an opportunity to build a deeper connection with the CPA community and up their game, whether they are CPAs or just work with CPAs.

For you—Every new member expands our network, which means more connections, more business and more support for the profession.

Please help us to grow the Society and strengthen the profession. You can refer CPAs or non-CPA professionals who work with CPAs and CPA candidates. Each new referral member receives a \$25 Amazon gift card simply by telling us who referred them. You will also receive a \$25 Amazon gift card for each referral that joins ISCPA and gives you credit.

4 easy steps:

1. Invite colleagues, former classmates and friends to join **Iowa Society of CPAs**.
2. Share how they can **apply for membership** and learn more about **ISCPA**.
3. Tell your invitees to enter your name on the application for the question, **"Did an ISCPA member invite you to join?"**
4. When the application is processed and they become a member, you both will receive gift cards as a token of our appreciation.
